## OFFICE SPACE SEARCH PROJECT - ALMATY

03.11.2023

Scot Holland | CBRE is pleased to announce the completion of a successful deal on search and lease of office space in Regus Service Office Almaty for TikTok Kazakhstan Ltd.

Tik Tok is a service for creating and watching short videos, owned by Beijing-based ByteDance. Launched in 2018, the international version is the leading video platform for short videos in China and is becoming increasingly popular in other countries, becoming one of the fastest growing and most downloaded apps.

The customer highly appreciated the work done and hoped for further co-operation.
